

## Factory Certified Service

March 2016

Dear Valued Product Owner,

We would like to encourage you to take advantage of the Annual Scheduled Maintenance Program offered by our **Factory Certified Service Premier Partner** in your area. The recommended cleaning and inspection performed by a **Factory Certified Service Technician** is a great way to increase your products longevity and limit inconvenient and avoidable repairs.

Products recommended having annual maintenance, cleaning and inspection to insure proper operation and performance are **Refrigerators, Freezers, Wine Units, Undercounter Ice Makers, Coffee Makers, Steam Ovens, Ovens, Ranges, Rangetops, and Outdoor Grills.**

**Annual Scheduled Maintenance Program** includes the following checks and inspections:

*(Below Checks & Inspections Depend on Model and Product)*

- ✓ Proper Cleaning Of Condenser Coils
- ✓ Drain Line Inspection
- ✓ Drain Pan Inspection
- ✓ Door Seal Inspection
- ✓ Water Filter & Air Filter Inspection
- ✓ Perform Descale & Cleaning Procedures
- ✓ Burner, Grill, Griddle & Oven Inspection
- ✓ Switch & Light Bulb Inspection
- ✓ Complete Unit Inspection

Maintenance checks and inspections on the first appliance is \$159.95.  
Each additional appliance is \$30.00.

Any Additional Service Recommendations found from the checks and inspections, you will be provided a part(s) and labor quote and approved before any additional service is performed.

Please contact **Seasonal Comfort Co., Inc.** our **Factory Certified Service Premier Partner** at **713.692.5151** or email [service@seasonalcomfort.com](mailto:service@seasonalcomfort.com) to schedule your appointment. Their staff is friendly, knowledgeable, and professional.
